Chaperone Expectations

Event: Nā Keiki Puni Moʻolelo

Date(s): November 20, 2015

Leeward Community College thanks you for participating during this event. Our main priority is to keep students safe while here, and to promote an atmosphere of learning. As such, please review the the list of chaperone expectations below:

✓ Chaperones will refrain from using their cell phones unless there is an emergency.
✓ Chaperones will model appropriate behavior. This sets an example for the students.
✓ For the protection of both the student and the chaperone, chaperones should not place themselves in situations in which they are alone with a student.
✓ Chaperones will monitor students on the bus. Students can talk and have fun, but must not shout or yell. Students must remain seated at all times.
✓ Chaperones will remain with their group during the entire field trip. If a student gets separated from your group, you will contact a teacher affiliated with Nā Keiki Puni Moʻolelo immediately.
✓ Chaperones will supervise students while at Leeward CC. Each chaperone will be responsible for a small group of students and will keep track of those students and make sure that those students are exhibiting appropriate behavior.
✓ Chaperones will not give any food or drinks to students, unless it is approved by a teacher.
✓ Chaperones will not smoke.
